BUSINESS CHANCES.

AN EXCELLENT business opportunity is offered for the right man. I am going to start a ready-to-wear garment house in Portland Ore., with capital stock of \$100,000.00; stock is all subscribed with the exception of \$2,000.00.

Portland is a city of 300,000 people—this with a surrounding county offers a drawing population of a half million prospective customers. The men interested in the proposition have had life experience in this kind of business and can show you just how this investment will be a good one.

We have a corner location in the very heart of the city. Expect to be doing business.

The same kind of proposition in other cities, where conditions are not even as favorable as those offered in Portland, are paying as high as 50 per cent.
